Do that by making a sales web page for the brand new e-book, however don't embrace a price on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is strictly the same

on each page, and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum value is.

Finally, in the event you've written a ebook that solves a downside or presents a new approach, your e-book will usher in both traffic and profits. So be sure you write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 1006 e book can be to the customers who buy it.
