An efficient method for determining a worth is to send out a survey to your current customers. If these customers have already bought an book from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new guide, but do not include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with different costs on each page. Ensure that your gross sales copy is strictly the identical on each web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum value is.

Ultimately, should you've written a guide that solves a drawback or presents a new technique, your e-book will herald both traffic and profits.
