Take into account that the above pricing technique is temporary. Eventually, you will stop to sell books at this high price. So determine upfront how long you plan to offer your e book at this high worth, and when that time is up, change your pricing strategy.

If you wish to see large earnings over customer draw, aim for an viewers that is looking for easy solutions to their problems at a low price. If your e-book is aimed toward fixing one specific problem slightly than normal recommendation, then you'll be able to cost more. Start at the highest price the market will bear to bring in the largest profits, and plan to discount the e book a number of occasions all through the year.
