If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new e book, however don't embody a price on that page. Be certain that your gross sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Finally, in case you've written a ebook that solves a problem or presents a new approach, your e
