An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new book, but do not include a price on that page. page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum price is.
