Do this by creating a sales web page for the new e book, however don't embody a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the identical on each

web page, and contains your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum value is.

Ultimately, when you've written a guide that solves a downside or presents a new approach, your book will herald both visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your guide solves and what the advantages of your 609 ebook will be to the purchasers who purchase it.
