If these prospects have already purchased an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the new book, however do not embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be certain your sales copy is strictly the identical on each page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum price is.

In the end, should you've written a e book that solves a problem or presents a brand new method, your guide will herald each site visitors and profits.
