Determine in case your goal is to get large distribution and maximum exposure. This goal is aimed at drawing customers to your small business or service, or to establishing the credibility of your reputation. If this is your primary objective, it's best to goal to keep your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive variety of new customers. If you wish to see massive income over buyer draw, goal for an audience that is searching for easy options to their issues at a low price. If your guide is geared toward fixing one specific problem relatively than common advice, then you'll be able to cost more. Start at the highest price the market will bear to herald the largest earnings, and plan to discount the e-book a variety of occasions all through the year.

## Marketing Methods

The key that unlocks the gross sales potential of your e book is to find a single sentence that turns into your promoting handle. This sentence states what question or problem your book answers and the advantages your e book can provide. Then be sure you use that sentence in every piece of

sales and promotional material, and every time anyone asks you about your ebook.

In addition to selling your books assiduously online, there are several other methods that may allow you to sell extra books.

One is to provide something away without cost with your book, corresponding to a useful bonus item. Or bundle a number of ebooks under one price, which lowers the value for each e book if they were offered separately.

An effective approach for determining a value is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the new ebook, however do not include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is precisely the same on each web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum worth is.
