As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with different prices on each page. Be sure that your sales copy is exactly the similar on each web page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum worth is.
