Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with different prices on each page. Be certain your sales copy is precisely the identical on each web

page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum price is.
